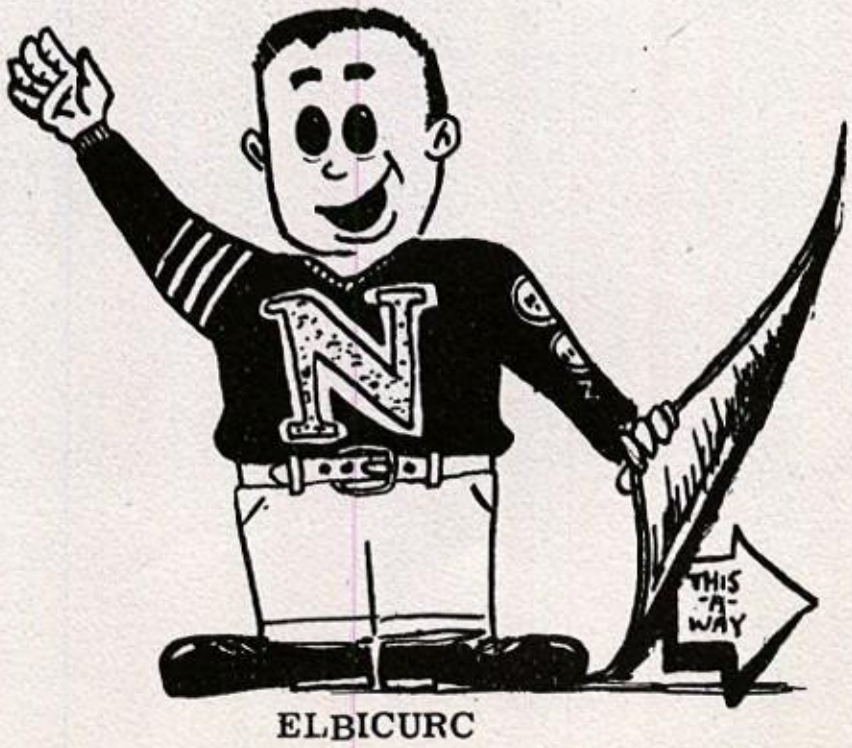
ELBICURC's my name, but look
Mirror-wise, and it's this book!
Follow me-- I'm dutiful,
And you will see THE CRUCIBLE.



ELBICURC

DEDICATION

MISS SARA KERR

To Miss Sara Kerr, former head of the Social Studies Department who recently retired, we, the graduating classes of 1957, dedicate this year's CRUCIBLE.

This fine lady has had a share in the development of many pupils at Northeastern. We sincerely hope that the memories which she takes into her new life are pleasant and rich. At present Miss Kerr continues to serve her fellows in a full program of useful activities.

May this book be a small tribute to her remarkable energies.

Here's why

GAS IS BEST

for 7 important home uses!

Gas is the modern, clean fuel that gives you luxury living at bargain prices! Gas is automatic, fast, dependable, silent—gives you unequalled comfort and convenience. You'll find that Gas is best for:

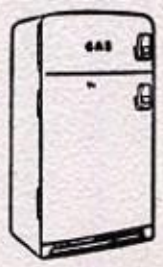
House heating: Gas heat is clean, automatic, economical, safe. No worries about fuel shortages. No fuel bins or storage tanks.

Cooking: Modern Gas ranges make cooking almost completely automatic—with automatic top burner, automatic controls, smokeless broiling.

Water heating: Automatic Gas water heaters give you hot water around the clock. Gas heats faster, replaces used hot water faster.

Clothes drying: Gas clothes dryers end weather worries, heavy lifting of wet clothes at low cost of only two cents an hour.

Incinerating: A Gas incinerator gets rid of both garbage and burnable trash indoors, saves you trips outside in bad weather.



Refrigerating: A Servel Gas Refrigerator gives you silent operation, balanced cold, automatic supply of ice cubes, low operating cost.

Air conditioning: Gas air conditioning is quiet, economical, efficient. One basic unit heats in winter, cools in summer.

Check the many advantages of Gas appliances and you'll see why Gas is best for comfort, convenience and economy!

MICHIGAN CONSOLIDATED GAS COMPANY

Serving 835,000 customers in Michigan

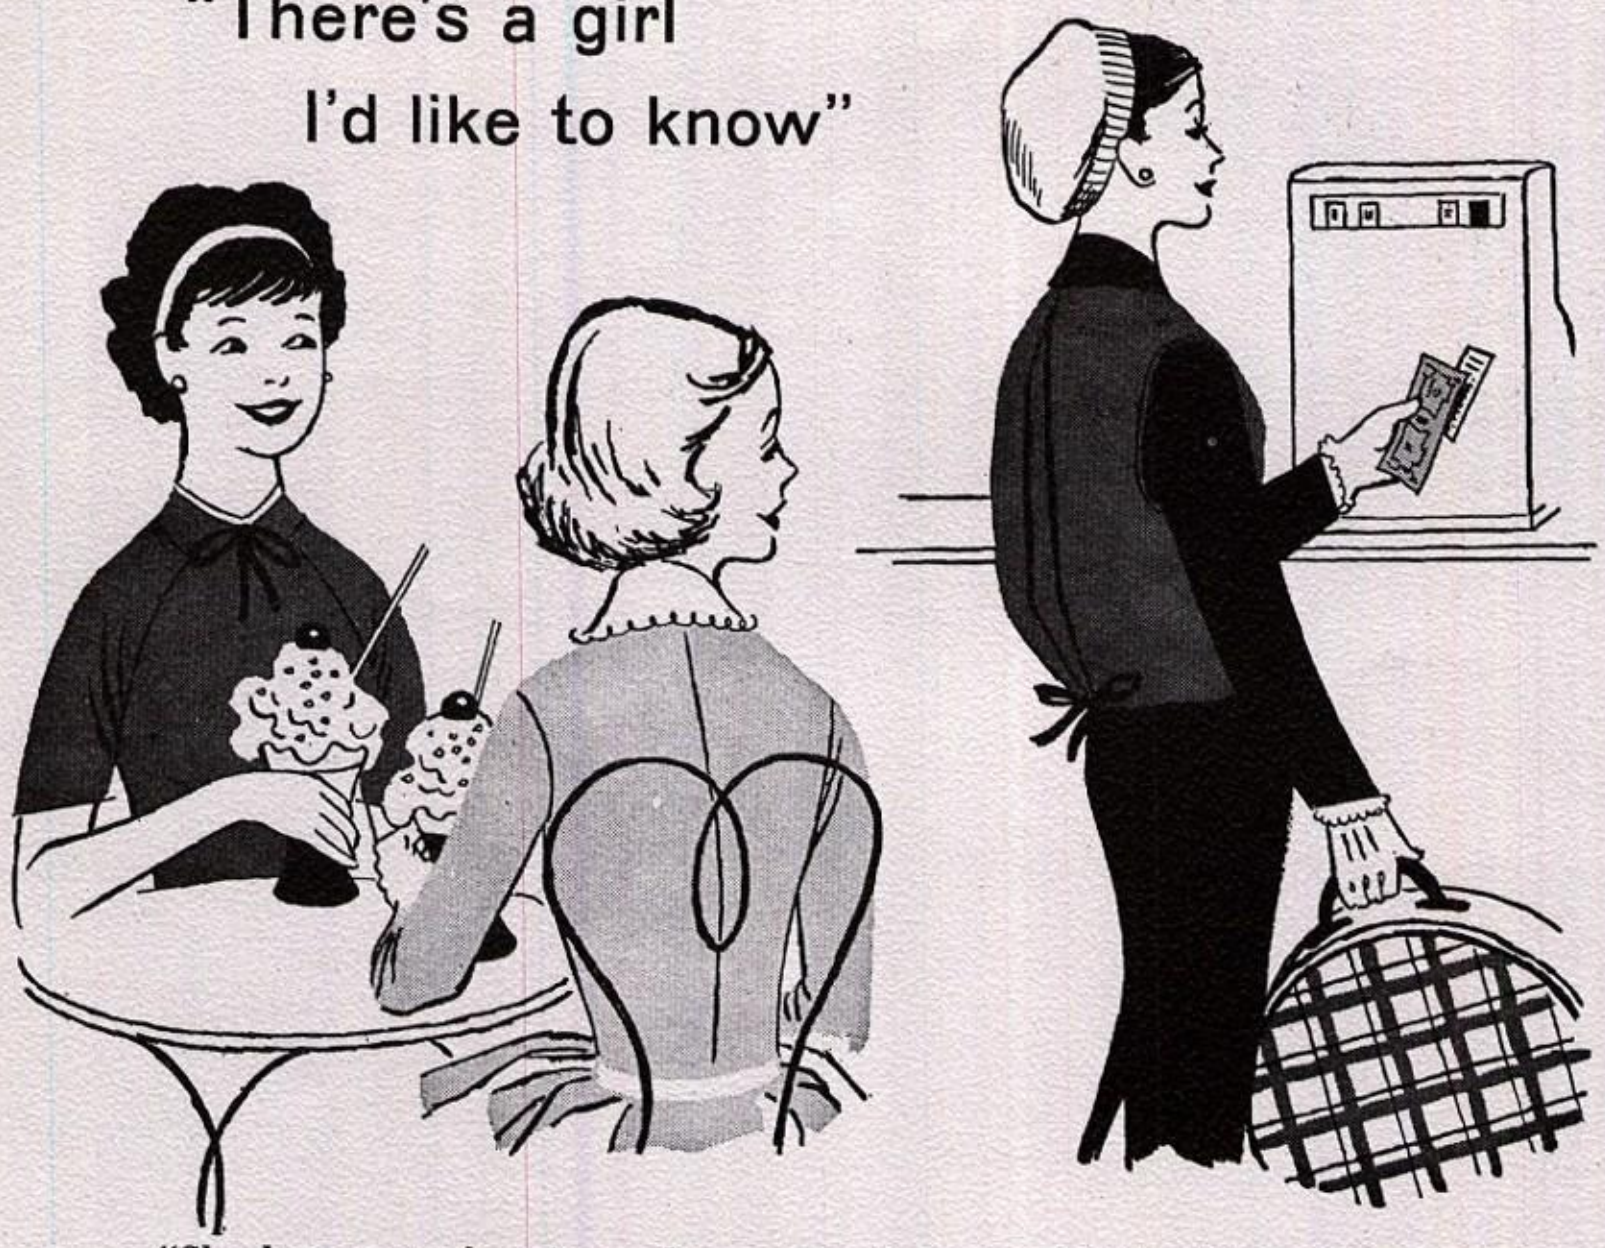
it's "touch and go" these days

There's little lingering in the laundry anymore. The washing is disposed of the automatic electric way. Set washer or dryer dial and away you go . . . to other jobs . . . even out of the house.

And the interesting thing is, by the time you change from Miss to Mrs., automatic electric work savers will have made your life more than ever "touch-and-go."

DETROIT EDISON

"There's a girl
I'd like to know"



"She has so much poise and confidence—I'll bet she works for the telephone company. Those girls are so attractive and have such friendly, pleasant manners."

They're talking about Lucy, who started working for Michigan Bell right out of high school. She was trained with other beginners by friendly, understanding supervisors. Today she's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

Lucy was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled midmorning and midafternoon "breaks" for relaxing in the company's comfortable lounge rooms, and by the opportunities for advancement.

Isn't that the kind of job *you* want? Then why not get in touch with us now? We'll be happy to tell you more about the variety of interesting jobs from which you can choose after graduation.
